

Norfolk Island People for Democracy

National Vice President, United Nations Association of New Zealand, arrives Sunday 4 October

On Wednesday 7 October at 6:30pm at the Sirius Room, Paradise Hotel, NIPD will be hosting a community forum with Mr. Gary Russell JP, National Vice President United Nations Association of New Zealand (UNANZ) and Chair of the UNANZ Northern Branch. We warmly invite you to join us at an informal community gathering with Gary and to learn about the work of the United Nations around the world.

Congratulations

NIPD would like to congratulate the organizers and all those involved in the peaceful protest march 'Hand Up for Democracy' held on Sunday 27th September. With over 1200 hands collected the 'Hand Up for Democracy' initiative was a huge demonstration of unity against the Commonwealth takeover of Norfolk Island. The overwhelming support from the Norfolk Island community for initiatives such as 'Hands Up for Democracy' coupled with over 850 registered supporters of the Norfolk Island People for Democracy demonstrates a clear resolve by this Community that the fight for democracy is to continue.

Australia has a new Prime Minister

Given the unwillingness of the previous Australian Government leadership to discuss matters relating to the unfair and unjust removal of the Norfolk Island Legislative Assembly, the NIPD has been heartened by the opportunity now presented with the change in leadership, and change in our Federal Minister, to have meaningful dialogue with Prime Minister Turnbull and Minister Fletcher on restoring self-government in Norfolk Island and working in positive partnership with the Australian government to the overall benefit of all stakeholders.
