CALL TO ACTION to all NIPD registered supporters

The number of registered supporters of NIPD has almost reached one thousand – a wonderful response both from the Norfolk Island People and from non-residents who join us in supporting the return of self-government to Norfolk Island. NIPD asks registered supporters to -

- educate family and friends on our purpose and encourage them to register their support online at www.norfolkschoice.com;
- share your thoughts on how we can drive a global media/social media campaign – remembering that from small beginnings great things can grow;
- be innovative and create an awesome slogan, catch cry or #hashtag (20 letters or less).

So please, share your ideas, don't be shy, all suggestions will receive respectful consideration – just send them to NIPD by email at pdsupport@ninet.nf or post us your ideas to Box 367 Norfolk Island 2899; and remember -

Election to Membership of the initial Management Committee is open to all registered NIPD supporters and NIPD encourages all interested registered supporters to nominate for election
